The Ladies' Missionary society of the Presbyterian church will give a dinner social at Mrs. W. W. Miller's Friday night; everybody invited.

The colored high school is doing quite well, as related by Neise Moore, who was down there last week to look after his son. The enrollment is 45.

Next Saturday, the 14th, is the day the white cattle are supposed to walk out, as the law prohibiting their employment goes into effect on that day.

Mrs. Frosia Barrett can furnish good board and lodging for a number of gentlemen and for two gentlemen and their wives; board reasonable, 25-31.

I am going out of business, and only a few good staple articles to sell. I will sell at less than cost; also some spring millinery. Mrs. Wm. Chouteau.

Lute Hopkins came in to the nursery the first of the week for trees for quite a large orchard to be planted on his farm ten miles southeast of this city.

A high liver with a torpid liver will not be a long liver. Correct the liver with DeWitt's Little Early Risers, little pills that cure dyspepsia and constipation. P. Shanahan.

There will be a death of territory faced at the Ft. Worth cattle convention this week, owing to the relentless determination of the railroads to get "the price."

One Minute Cough Cure touches the right spot. It also touches it at the right time if you take it when you have a cough or cold. See the point? Then don't cough. P. Shanahan.

"Give me a liver regulator and I can regulate the world," said a genius. The druggist handed him a bottle of DeWitt's Little Early Risers, the famous little pills. P. Shanahan.

The announcement that Mrs. Billingslea is now in the city selecting her spring millinery will be sufficient to induce the ladies to hold their orders for Easter hats a few days.

Bob Garrett's folks lost a fair leather valise between this town and Claremore's Feb. 21st. Leave at this office with T. M. Buffington and description will be given and reward paid, \$7-25.

Frank Skinner was up from Big Cabin Saturday and expressed some fear lest the fruit trees in his section were too far advanced for the season, and that a frost may injure the coming crop.

A freak child-devil was on exhibition here this week. The Muskegee Phoenix is inclined to the belief that the monstrosity is of recent manufacture, made of paper mache and putty, and not a good job either.

The Vinita Real Estate agency has several desirable lots in this city for sale cheap.

J. W. Ellison's meat market is always supplied with best meats which can be had.

Dr. Griffith had a select party out for dinner on the creek Sunday—his own selection.

The Frisco railroad company has put in a new and very substantial crossing in front of Swain's.

Managers Carter and Wright were very expeditious in converting the court house into a show hall.

Republicans and democrats both held meetings Saturday. The republicans will meet every Saturday.

It not only is so, it must be so. One Minute Cough Cure acts quickly, and that's what makes it go. P. Shanahan.

There is a new Prof. Chapman at the college, but it is worth while to state that there is no jealousy in consequence.

I will be in Vinita on or about April 1st. Leave orders for tuning at Vinita Music House. Geo. W. Sheets, piano tuner.

Blakeney shipped twenty-five cases of eggs Saturday and would have sent out a great many more but for the lack of cases.

The Congregational church last week extended a call to Mr. Forrest to become the permanent pastor, which was accepted.

Lost, two national tickets; one for \$4 and one for \$1. Any one returning same to R. Ironside will be liberally rewarded by Neise Moore.

The jury commissioners, Dr. Fortneb, Jno. Hogan and "Uncle" Charley Bluejacket, met yesterday and selected the jurors for next term.

CHARLEY CHESNEY, needing a touch of high life, has shaken the dust of Vinita from his brogans and gone to the city, where he will embark in the printing business on his own hook. Charley can "set" more "jobs" in less time than any printer the town ever had. W. S. Crockett, "Dary," is back at his old place in this office, taking the situation thus made vacant.

THE HOTEL COBB is undergoing a great many repairs and improvements and under Mr. Paul's management, with the able assistance of Mr. Fred Scherubel, is taking a conspicuous place in the hotel business of this section. Sunday's dinner was of a character to make any householder. All the fresh vegetables which only the tropics can provide at this season were upon the table, prepared with all the skill of a Delmonico chef.

THE LARGE AUDIENCE that greeted the Taylor brothers Monday night at the court house was perhaps never better pleased with an entertainment in their lives. The exercises began by the appearance of Hon. Alf Taylor who was introduced by Judge Springer who had served with him in congress. The gentleman spoke for half an hour on the growth and prosperity of the American republic, and his transcendent eloquence held the audience enraptured throughout; his quaint remarks with reference to the "new woman" brought down the house. Ex-Governor Bob then followed with an oration that was a mixture of eloquence, wit, fun and pathos, that was simply irresistible. The entertainment closed with songs, interspersed with droll plantation stories.

THE CATTLEMEN, at their meeting at Claremore last week, had the largest attendance in the history of the association. The organization was continued in every respect as the previous year, John Franklin going as inspector to Chicago, Billy Franklin to St. Louis and James Runyan to Kansas City. In addition to maintaining the inspectors seven, or eight rewards of \$50 each were paid and there remained in the treasury \$500. All the old members remained with the association and twenty-five or fifty new ones joined this year. A tax of two cents a head was levied which insures plenty of money for defraying the year's bills. No little attention will be given this year to the issue of cattle at home and plans which should succeed in shutting off this source of loss—now one of magnitude—were adopted.

PROBABLY the best entertainment ever given in the city by home talent (it is not fair to allude to it as amateur) was that presented at the Academy chapel Friday night, under the auspices of the Ladies' Missionary society of the Congregational church. All the churches and schools lent their aid to the program as well as presence without stint and the hall was as full as it could be packed, the receipts being \$55. To enumerate the "features" would be to reprint the program; not the least interesting part of the evening's entertainment were the recitations from "Old Robin Gray" and "Hiawatha," something like a dozen in number. The ladies desire to express their very warm thanks to those who so kindly aided them, not omitting the kind, which rendered a number of selections before the entertainment began, in front of the building.

ONLY SADNESS will follow the announcement of the death of Rev. Dr. W. P. Paxson, of Springfield, the great Sunday school man. He was holding a series of meetings at East Orange, New Jersey, and died unexpectedly Tuesday morning of apoplexy. There is hardly a Sunday school in three or four southwestern states, which was started a few years ago, but got help, directly or indirectly, through Dr. Paxson, the representative of the Sunday School Union. He was a frequent visitor in this city and always welcome. The funeral takes place in St. Louis today and will be attended by a number of Knight Templars from the Indian Territory, (possibly some from this city) as the deceased was honored by an election as the first prelate of the grand commandery of this territory and was in addition the prelate of Muskegee commandery.

SATURDAY LAST was a great day in the grocery trade of this city. One firm early in the day put out a \$100 circular, as follows:

20 lbs. granulated sugar \$1.00
1 " pepper20
1 " allspice20
1 " Imperial tea40
1 doz. matches15
1 lb. raisins25
4 " soda25
1 coffee pot15
2 boxes ash grease10
2 bars soap10
	\$2.00

As a \$1.50 lot had "swiped" the trade to a considerable extent the week before, the appearance of this circular was the signal for an onslaught. One firm quoted "no sugar" but offered to put up the balance of the list for \$1.20, leaving the purchaser \$1.80 to buy his sugar elsewhere. Another simply offered to put up the \$3 order for \$2.75. Number one then cut his price to \$2.50 and the \$2.75 firm promptly made it even money—\$2—at which it stood all day. Another firm chimed in with seed potatoes 60c; 5 lbs. green or brown coffee for \$1, or 7 lbs. brown Java for the same money. A tremendous quantity of goods were sold but it is not likely that very much money was made on the sale of groceries Saturday; however, it is probably not extravagant to say that the "war" will pay many times over its cost in the influence it will have in bringing trade to this place. The old colored woman who walked four miles to a neighboring town because she could buy more snuff for a cent has her counterpart all over the world, and many a barrel of salt weighing 300 lbs. has been bought at Vinita and taken a dozen or fifteen miles, past other stores, because it sold at \$1.55 here and those stores asked \$1.65.

W. W. Miller's is the place to buy your window curtains.

DICK ADAMS, the whisky peddler and horse thief, was finally captured by Sam Ridenhour and Heck Bruner last week. In a brush with the officers a week of two before he was reported wounded, but it was an error. This time they found him on stairs in a house with but one door and threatened if he did not come down to burn him out.

A DISTRESSING ACCIDENT, causing the death of a child, occurred in this city Friday. In a house across the street from Nat Skinner's old home lives the family of Louis Lowers, which lately moved here from Pryor Creek, the father, evening their little son, George, aged four years, was sitting in a rocking chair, back toward the stove. As the chair rocked back it upset a vessel of hot water upon the child's head, running down its face and body, and scalding the little one horribly. In this suffering condition the child lived until 7:30 a. m. Monday; the funeral took place next day from the Catholic church.

DURRY COLLEGE, Springfield, had had a very unique offer of an endowment, which depends entirely upon the verification of a reminiscence of the war by an eastern gentleman of means. The man offers to Drury a large sum of money if it will verify the truth of a war incident which is alleged to have taken place in Missouri, and which, if true, the Massachusetts man thinks, equals the story of Iliad and Pythias.

The president announces that the college will accept the offer, and requests the students to help him secure positive evidence if such a thing really did occur. The story is that in the early part of the war a detachment of confederate troops in Missouri took about 400 Union prisoners. Twelve of these prisoners were lined up and shot, without provocation, by the confederate officers. Upon hearing of this act, the commander of the federal regiment drafted twelve confederate prisoners to be shot in retaliation. As the line was being formed, a young man named William Lear stepped forward and asked permission to take the place of one of the condemned men, who was his friend. The request was granted and Lear was shot in the place of his friend.

Notice. To the Republicans of Vinita and vicinity. We now have a club of over six hundred members and feel there are still a large number of Republicans in this community that have not identified themselves with us. To these and all who desire to join our club a cordial invitation is hereby extended to be present at the club meeting at the U. S. court room—Gray-Halsell building—on Saturday night. A number of speakers will be on hand and a general good time is expected; come and bring your ladies.

HARRY E. DONCARLOS, President Vinita Republican Club.

Lee Burkett, a crack shooter, was shot at Lenap last week by Johnson Push, another of the same class. But he endeavored, while drinking, to shoot his adversary when a rough and tumble took place in which Burkett was shot in the groin.

Beggs' Little Giant Pills. Try them if you have a sick headache or if you are constipated or bilious. Guaranteed by P. Shanahan.

Lee Burkett will sell saddles at cost for the next thirty days.

Soothing, healing, cleansing. DeWitt's Witch Hazel Salve is the enemy to sores, wounds and piles, which it never fails to cure. Stops itching and burning. Cures chapped lips and cold-sores in two or three hours. P. Shanahan.

The Perfect Ointment. The virtue of Beggs' German Salve is its quick healing power. Else it would not have earned its world wide reputation. Your popular druggist, P. Shanahan, has it.

Mail orders for job printing get very prompt attention at this office.

Beggs' Hair Renewer. No preparation ever put on the market has given such universal satisfaction. It is not only a hair renewer and invigorator, but cleanses the scalp of all dandruff, leaving the hair soft, glossy and luxuriant. Sold by P. Shanahan.

J. W. Pierce, Republic, Ia., says: "I have used One Minute Cough Cure in my family and for myself, with results so entirely satisfactory that I can hardly find words to express myself as to its merit. I will never fail to recommend it to others, on every occasion that presents itself." P. Shanahan.

Caution. All instantaneous cough cures contain opiates and are liable to dry up the phlegm and mucus in the bronchial tubes and lungs, thereby causing congestion. We guarantee Beggs' cherry cough syrup against this danger. P. Shanahan.

Bioteches, Pimples, Scrofulous Sores and all humors of the blood and skin will succumb to Beggs' blood purifier and blood maker. It positively has no equal. Every bottle guaranteed. Ask your popular druggist, P. Shanahan, for it.
